MEMORIZATION TECHNIQUES

1. CONNECT & LINK (THE LINK METHOD)

Creating associations between items in a list and assigning images to each connection to help you memorize better

2. MAKE A STORY (THE STORY METHOD)

Create a bunch of different images between each two items & combine everything into one big picture with the Story Method.

3. ASSOCIATE OBJECTS WITH FAMILIAR LOCATIONS (THE LOCI METHOD)

By associating terms or list items with familiar locations

4. DRAW A MIND MAP

Any structured concepts or information, it work well by laying out the structure and making the flow of information more clear.

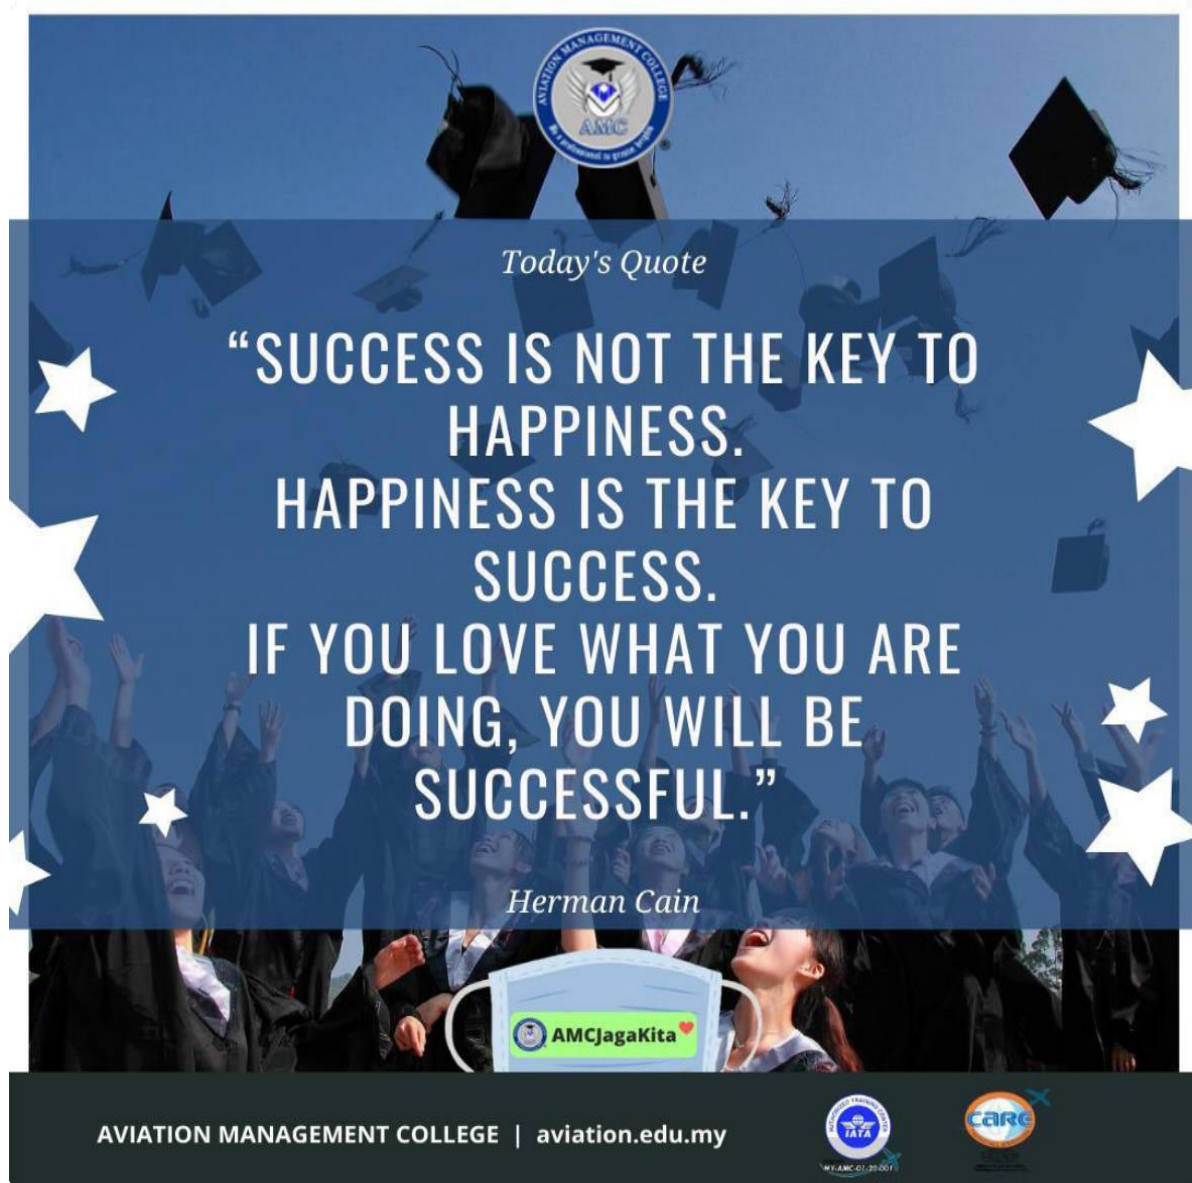

5. PEG OBJECTS TO A NUMBER (THE PEG SYSTEM)

Requires you to memorize words that are easy to associate with numbers

6. THE ROMAN ROOM (MEMORY PALACE)

A technique that could be applied to a list of words or any information once you get well practiced at creating visual depictions of abstract words.
